Dear Sir:

I am returning the list of sales tax tokens you sent on a while ago. Those checked in black pencil we have, those with red marks we would like. Also, we would like the catalogue of 42 pages for 35¢.

I am berewith enclosing a dollar and add sufficient of the Illinois and Washington provisionals to make up a dollar's worth.

If you get anything new in State issues I would like to have you let me know.

Very truly yours,

Curator
